NIBC 2015 Competition Overview

- Opportunity to experience the work performed by an investment banking Analyst, Associate and Vice President pitching to a client
- Cases are created by professionals from firms including: Macquarie Capital, RBC Capital Markets, Morgan Stanley, Evercore Partners
- Analyze publicly traded companies using valuation methodologies such as DCF, trading comparables and precedent transactions
- The Final Round Case provides competitors with the experience of analyzing and advising on a live transaction
- Network with junior and senior investment banking professionals and fellow graduates from top tier universities
- Finalists deliver a live pitch to Managing Directors of leading North American investment banks

Past Competitor Testimonials

Jordan Pandoff, Analyst, BMO Capital Markets

"The competition gave me the necessary skills to understand valuation as well as the experience to pitch a transaction to a group of local Managing Directors. The competition process and feedback from industry professionals truly helped during the intense recruiting season, where I was able to land a full-time analyst position in Toronto."

Milad Gerami, Analyst, RBC Capital Markets

"As a past competitor of NIBC, I would strongly encourage any student interested in investment banking to participate. The competition provides you with the opportunity to improve your financial modeling skills and the chance to present in front of a panel of industry professionals."

Hadi Daou, Analyst, CIBC World Markets

"Having competed in NIBC last year, I would highly recommend it to anyone interested in pursuing a career in banking. The experience was very valuable, and gave the competitors a chance to meet many professionals in the industry. It provides a great platform to showcase your skills and be a part of a very well-organized national competition."
