

Global Challenges for Our Sustainable Future

A Social Sciences and Humanities Approach

15
Jan.

2024

until

26
Jan.

2024

A 2024 winter university unlike any other. Immerse yourself in the world of sustainability during small interactive, multidisciplinary online classes. The winter university programme offers credit-bearing courses and targets all advanced Bachelor's and Master's students with an interest in sustainability.

CREDITS:

6 ECTS with pass/fail score

NUMBER OF PARTICIPANTS: 50
