

What we **OFFER**

HEC Paris Summer Programs are top-level, intensive programs offered in English.

HEC Paris Summer Programs are geared toward high-achievers with a business orientation, entrepreneurial mindset and passion for discovery. The Summer School welcomes participants studying at Master and Bachelor levels, as well as young professionals.

Summer Programs at HEC Paris are thought-provoking and demanding. As an HEC Summer School participant, you will:

- Develop an international outlook as part of a highly diverse class
- Establish a strong academic foundation with world-class HEC professors
- Interact with leading experts
- Gain 1 year access to the HEC Paris sector discovery portals to facilitate orientation
- Earn the HEC Paris Summer School Certificate of Attendance, Program Transcript + 7 ECTS credits

All courses are held on the 300-acre HEC Paris campus. On-campus residential housing is available to all Summer School participants.

Learning **METHODS**

- On-campus seminars with influential speakers offer you the chance to interact with outstanding leaders
- Case study scenarios allow exploration and discussion of complex, real-life issues with professors
- Groupwork with international team members fosters understanding of issues from diverse perspectives
- Programs culminate in final projects or presentations, permitting assimilation of all your learnings

*Experience in financial accounting necessary

ACCOMMODATION

On-Campus Student Accommodation

All participants have the opportunity to reserve housing in the HEC Paris Residence, a step away from the classroom. Summer School participants are housed in single room accommodation, including a desk for personal study, a private bathroom and shower. The kitchenette is equipped with a fridge, double hotplate, microwave oven and sink.

Housing on campus is not mandatory. However, participants are encouraged to reside on campus to benefit from campus life and the program experience. On-campus accommodation fees: 390€ for 1 session, 680€ for 2 sessions.

How to **APPLY?**

Applying is Easy

The application process is simple and straightforward. You will need to provide your academic CV, a 500-word personal statement, and a letter of recommendation (if applicable).

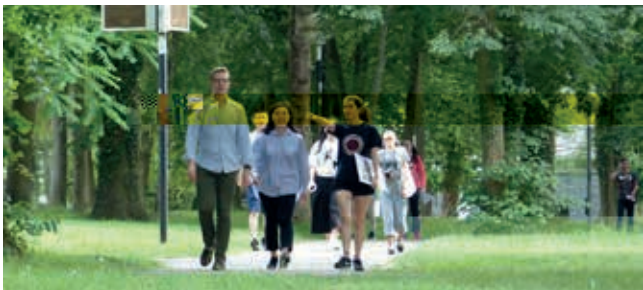

For a full list of application requirements, please visit the HEC Paris website.

Application Calendar

The application deadline is 15th January. Applications are accepted on a rolling basis.

The selection process is competitive. Successful candidates will receive an offer letter and details of the program.

For more information, please visit www.hec.edu/summer-school or email admissionsummerschool@hec.fr.

The HEC Summer experience extends beyond the lecture halls. Summer students will get to know peers both inside and outside of the classroom.

FEES

Program fees include:

➤ Tuition fees, HEC Paris student card, welcome gathering, full access to the 300-acre HEC Paris campus sports facilities as well as to the Learning Center, personalized presentations with Master and MBA recruitment teams, 1 year access to the HEC Paris sector discovery portals, permanent access to your online certificate & transcription, Summer School farewell gathering.

Program fees do not include:

➤ Housing, travel to and from HEC Paris, personal insurance (required), non-refundable application fee (50€), food, personal expenses and anything not listed as included.

Total Program Fees (excluding housing)

Spend your **SUMMER** at HEC

Unparalleled Access to Leading Professors

- › Intensive courses (42 contact hours) taught entirely by HEC professors and leading professionals
- › Practical, hands-on approach as well as theoretical knowledge
- › Exposure to real business cases and interaction with leading guest speakers

Our Campus Advantage

- › Situated 20 km southwest of Paris and neighboring Versailles
- › Campus infrastructure offers vibrant student life and well-priced student residences (accommodation not included in program fees)
- › Extensive sports facilities on campus
- › Language lab and library with access to vast internal and external databases
- › 1-year's access to the HEC sector discovery portals to facilitate orientation

Sports

Participants have access to a myriad of indoor and outdoor sports facilities on the HEC Paris campus.

Culture

The HEC Paris campus neighbors Versailles and falls at the back door of Paris, the “cultural capital of the world”. While weekdays will be devoted to academics, weekends will be your opportunity to explore the beautiful French capital and all it has to offer.
